

Hello! My name is Kenny Houghtaling and I currently am serving on the FRID Board as Region Representative West. Previously, I have served on the FRID Board of Directors, first as Treasurer and later as 1st Vice President. This year, the position of President is open for nominations. I would like to officially inform the membership that I am running for the position of President of FRID.

Last year, the Board sent the membership a survey to see your views of how the organization can make improvements. After reading the membership responses, I am in agreement with your viewpoints and will work as President to help the organization make progress toward those goals. I feel as President, I have specific skills that I can bring to the Board to help the organization succeed. I am collaborative and willing to work with the Board, it's committees, and its members on these goals. My experience with different roles in the organization will help me to be knowledgeable and organized in my approach. Additionally, I take Board service very seriously. I am passionate about working on the board to accomplish these tasks.

Thank you for your time and I look forward to serving as your elected President!
